Re: Sites 1,3 & Eastern Plume, Monitoring Event 29 Report –September 2006  
Naval Air Station, Brunswick, Maine

Dear Mr. Bober:

MEDEP has reviewed the Navy's responses dated March 4, 2008, to the Maine Department of Environmental Protection (MEDEP) comments, dated October 29, 2007, for Sites 1 & 3 and Eastern Plume Monitoring Event Report 29 – September 2006 (July 2007). Based on that review MEDEP has no further comments provided that:

- the proposed revisions and additions are incorporated into the final report along with regulator comments, responses and this letter; and
- that the salient points from the December 2007 Technical meeting discussion are added to response 15.d for inclusion in the final report.

Please contact me at (207) 287-7713 or [claudia.b.sait@maine.gov](mailto:claudia.b.sait@maine.gov), if you have any questions or comments.

Respectfully,

Claudia Sait  
Project Manager-Federal Facilities  
Bureau of Remediation & Waste Management
